La Costa Luxury Townhomes Announces Grand Opening of first gated townhome community in Kingman, AZ

KINGMAN – January 22, 2007 – La Costa, the first gated townhome community in Kingman, is proud to announce its grand opening and ribbon cutting ceremony on February 24, 2007. This event is open to the general public and will showcase this exceptionally unique and convenient lifestyle now available in Kingman, AZ.

“After years of careful planning and preparation, the La Costa Community has finally become reality, said Kenneth Herskind owner & developer of La Costa. “Until now, Kingman did not have a private, gated community where residents could gather and build an intimate neighborhood. La Costa will be a special place that encourages people to get to know one another, and it will offer many exciting planned amenities and activities.”
